POSSIBILITIES!
Block 2292 Lot 49
This lot is on the corner of a busy neighborhood where there aren’t any community gardens nearby. This could be the perfect place to change that!

MORE GROWING SPACE?
Block 2341 Lot 150
Park Avenue at East 138th Street, right next to the Grand Concourse 4/5 subway station and La Finca Del Sur. Do you have ideas for how this space can become a community resource? Contact us at organizers@596acres.org or 718-316-6092 to get started!

A DE-MAPPED STREET!
Block 10456 Lot 2
This is a de-mapped street that slopes up a hill, and is visible from the church on 159th and the school on Eagle Ave. A non-profit developer who worked on an affordable housing project next to the site had planned this space as a community garden but never developed it. Now, it’s just grass and a nice brick fence, locked up and waiting. Contact Victor at maldonvic@aol.com or 718-665-4281 to team up with neighbors to open up the space!

LOTS OF FOOT TRAFFIC
Block 2360 Lot 3
This triangle-shaped lot on a busy corner and under the jurisdiction of the Department of Citywide Administrative Services. Nearby other gardens and a park, it could be a great addition to beautifying the neighborhood.
