# A DE-MAPPED STREET! Block 10456 Lot 2

This is a de-mapped street that slopes up a hill, and is visible from the church on 159th and the school on Eagle Ave. A non-profit developer who worked on an affordable housing project next to the site had planned this space as a community garden but never developed it. Now, it's just grass and a nice brick fence, locked up and waiting. Contact Victor at maldonvic@aol.com or 718-665-4281 to team up with neighbors to open up the space!

#### LOTS OF FOOT TRAFFIC Block 2360 Lot 3

This triangle-shaped lot on a busy corner and under the jurisdiction of the Department of Citywide Administrative Services. Nearby other gardens and a park, it could be a great addition to beautifying the neighborhood.
