

BRONX COMMUNITY DISTRICT 4

A DE-MAPPED STREET!

Block 10456 Lot 2

This is a de-mapped street that slopes up a hill, and is visible from the church on 159th and the school on Eagle Ave. A non-profit developer who worked on an affordable housing project next to the site let us know that the Department of Transportation suggested the space be used by the community. We spoke to a neighbor, Louie, who thinks the church might want to help! If you live around here or go to the church, contact us at organizers@596acres.org or call 718-316-6092. You can also directly contact Wavecrest, who manages the site: 718-463-1200.

THE CORNER OF COURTLANDT AND EAST 157TH

Block 2404 Lots 1, 2

Around the corner from a few gardens that could use some extra space for waitlisted members to get growing!

LOTS OF FOOT TRAFFIC

Block 2360 Lot 3

This triangle-shaped lot is a sliver of a busy corner and owned by the Department of Housing Preservation and Development. Nearby other gardens and a park, it could be a great addition to beautifying the neighborhood.

POSSIBILITIES!

Block 2292 Lot 49

This lot is on the corner of a busy neighborhood where there aren't any community gardens nearby. This could be the perfect place to change that!

EXTENDED GROWING?

Block 2617 Lot 20

A community garden association lives two doors down. This could be a great place for them to extend their space.
