

Work day April 16:

Thanks to those who came and helped- Alyson, Tamara, Eric, Bevin, Gabriel, Lisa, and Llubav (plus all her helpers)!

Completed projects-

New birdhouse hung on front fence in garden

Strawberries planted in front communal beds

Kale, lettuce, and other similar seeds planted and labeled in front communal beds

Compost- sifted middle bin and moved into bin on the right

Projects not finished on the workday-

Wood from old raised beds need to be either bagged up and carted off or cut into chiminea sized pieces and stored in a dry place for later use

Plant fava beans and cucumber seeds in back bed where netting is

Attend to street tree beds- need to be cleaned, mulched, and loved. (see Gabriel's map for locations)
