

BROOKLYN COMMUNITY DISTRICT 16

LEGION AT SUTTER
 Block 3514 Lot 6
 Before 2002, the Legion St Homeowners Association had a garden here. The agency that owns the lot, Housing Preservation and Development, would be willing to allow this space for interim use in the GreenThumb program. Contact us at organizers@596acres.org to get connected to the neighbors!

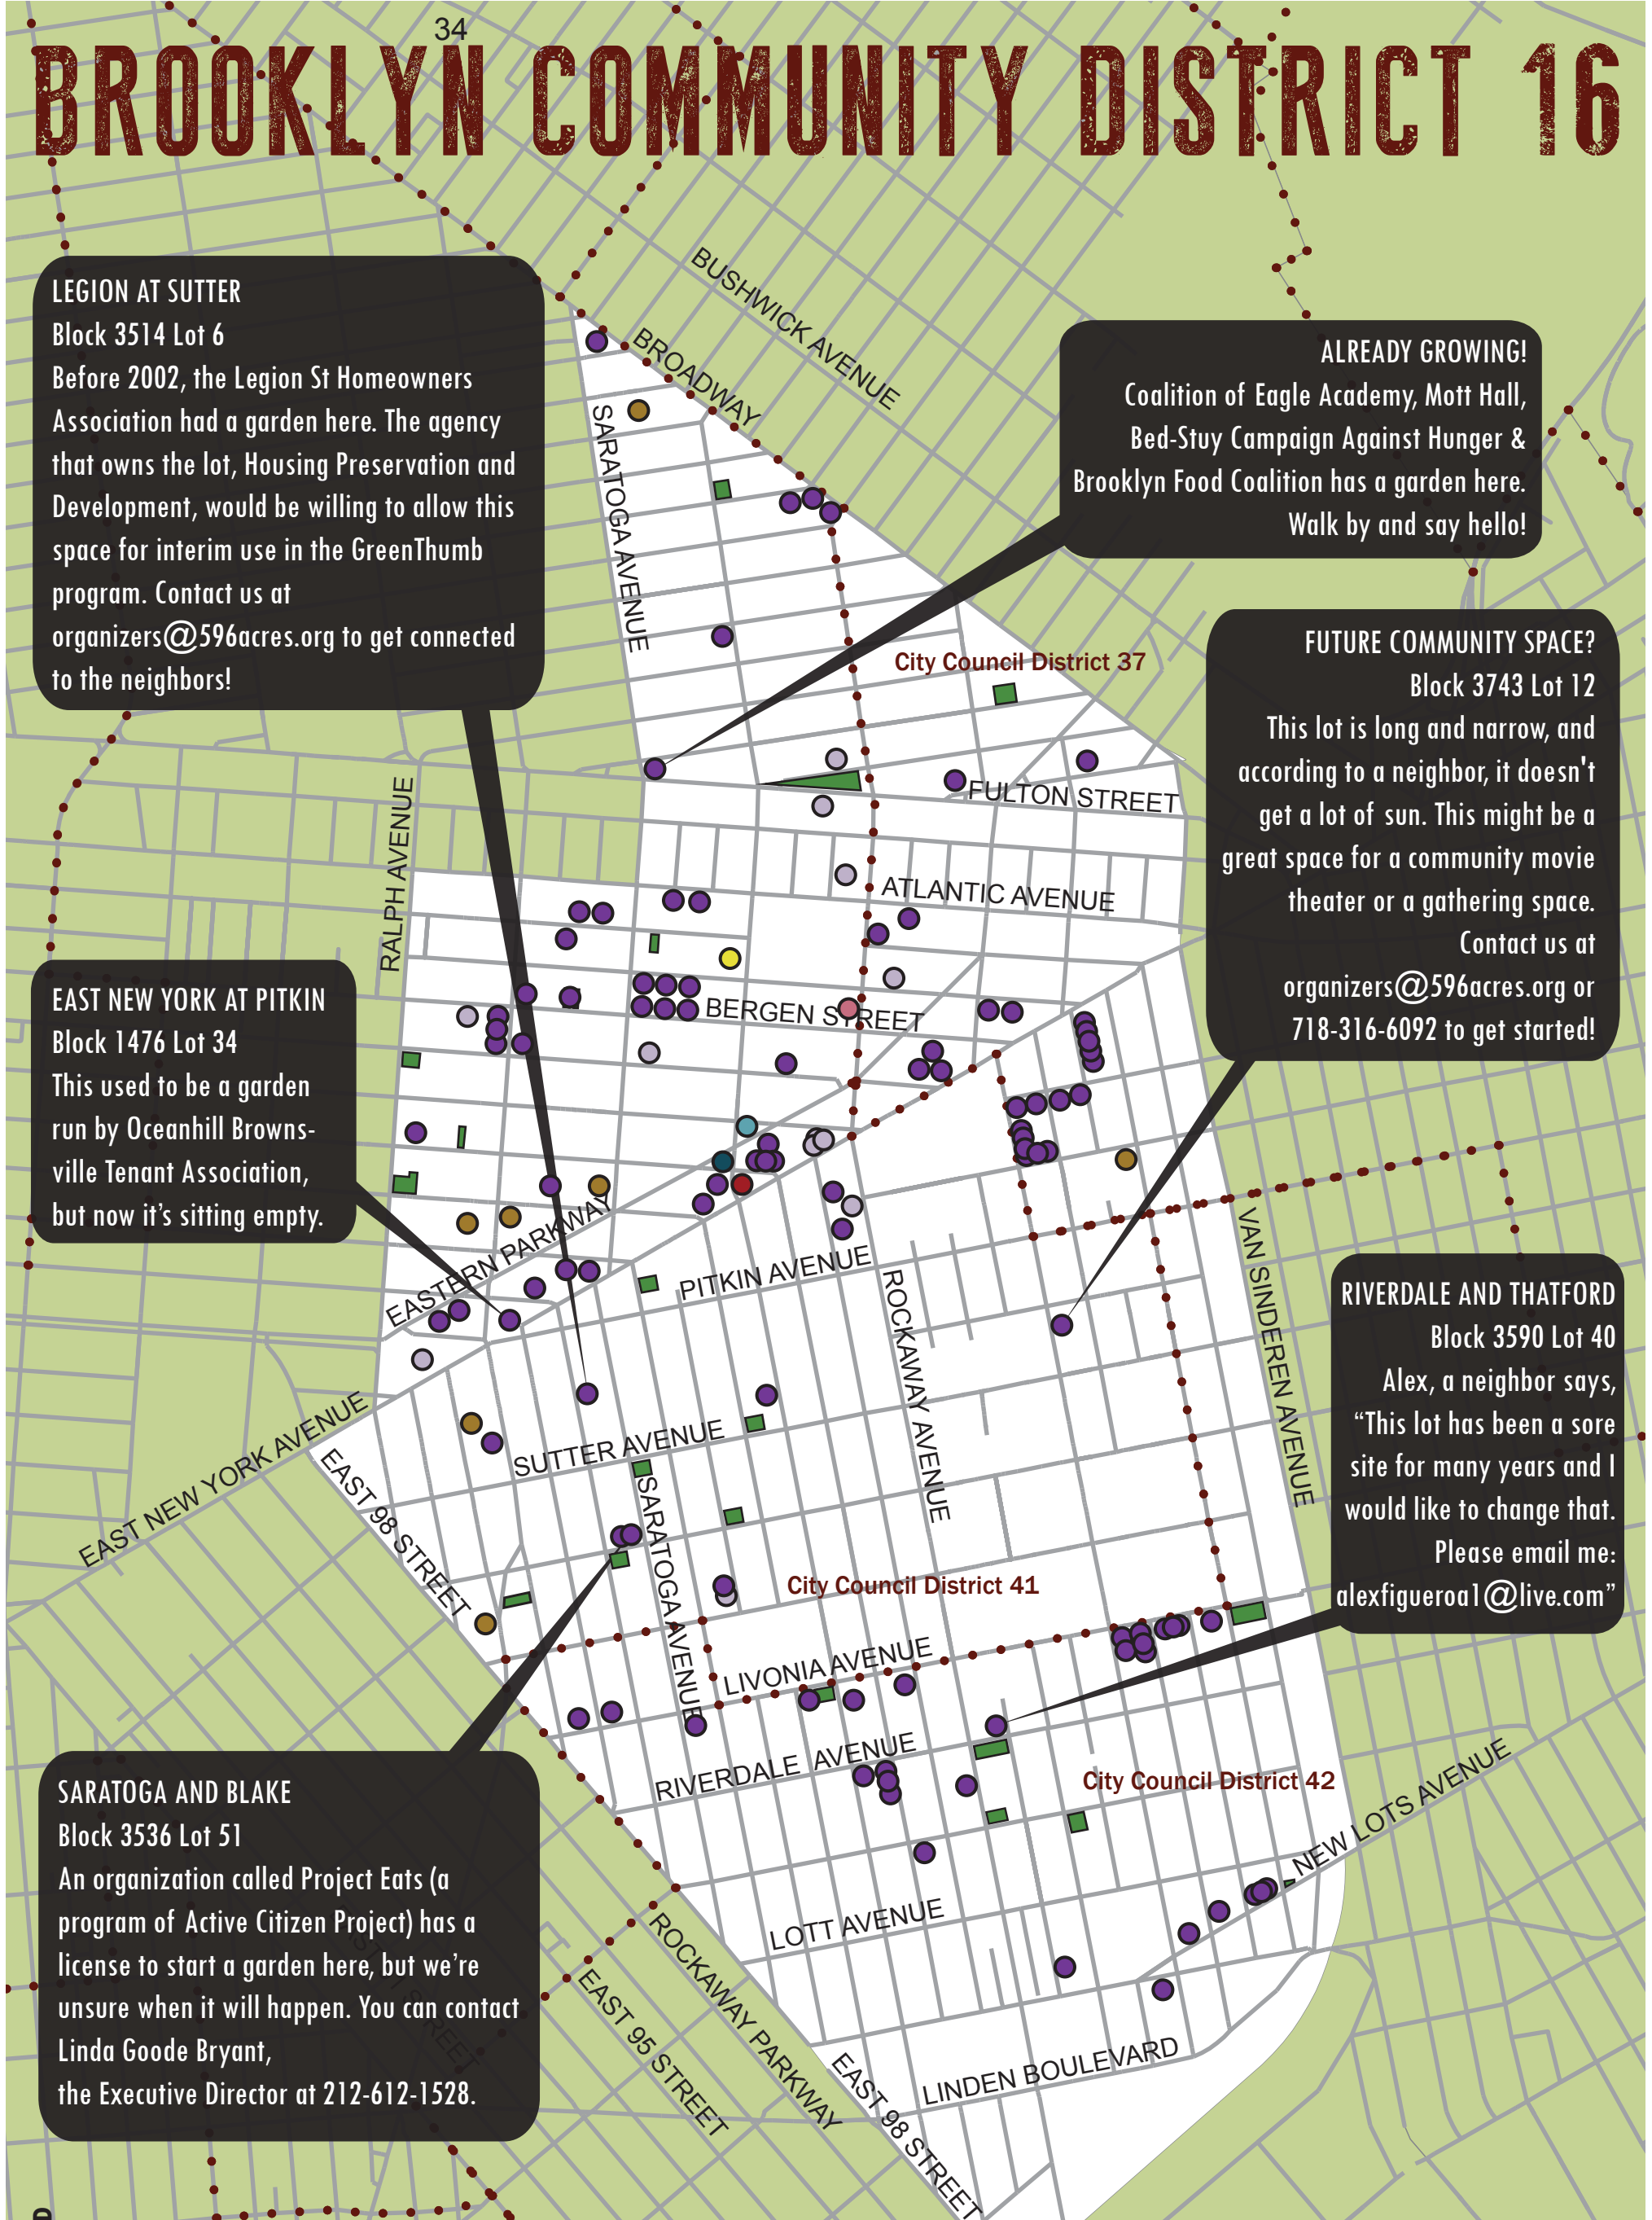

ALREADY GROWING!
 Coalition of Eagle Academy, Mott Hall, Bed-Stuy Campaign Against Hunger & Brooklyn Food Coalition has a garden here. Walk by and say hello!

FUTURE COMMUNITY SPACE?
 Block 3743 Lot 12
 This lot is long and narrow, and according to a neighbor, it doesn't get a lot of sun. This might be a great space for a community movie theater or a gathering space. Contact us at organizers@596acres.org or 718-316-6092 to get started!

EAST NEW YORK AT PITKIN
 Block 1476 Lot 34
 This used to be a garden run by Oceanhill Brownsville Tenant Association, but now it's sitting empty.

RIVERDALE AND THATFORD
 Block 3590 Lot 40
 Alex, a neighbor says, "This lot has been a sore site for many years and I would like to change that. Please email me: alexfigueroa1@live.com"

SARATOGA AND BLAKE
 Block 3536 Lot 51
 An organization called Project Eats (a program of Active Citizen Project) has a license to start a garden here, but we're unsure when it will happen. You can contact Linda Goode Bryant, the Executive Director at 212-612-1528.
